

	1-WEEK PROGRAM (Juniors)	2-WEEK PROGRAM (Intermediates & Seniors)
ARCHERY	Every camper goes to the range at least once during the session	Campers learn proper technique, and can shoot from a variety of distances
ARTS & CRAFTS	There is time for crafts projects during the week	Drawing, painting, and leatherwork are just a few of the possibilities in the craft tent
CANOEING	Paddling on our lake is a big highlight for the Juniors	Campers learn strokes and techniques out on the water
CLIMBING	Every camper gets at least one opportunity to climb at our on-site climbing crag	Our on-site climbing crag has 17 top-rope routes from beginner to advanced for campers to explore
FISHING	Campers may choose to go fishing with spin reels in our stocked lake	Both spin- and fly-casting skills are taught to campers trying to hook the 'big one'
HIKING	Juniors explore the camp property with beginner hikes	Over two days, campers learn trail etiquette, LNT, and orienteering
HORSEBACK RIDING	Every Junior camper gets to go on a one-hour trail ride	Campers may choose a two-day horseback riding program, with the option to add more.
NATURE & ECOLOGY	Juniors love looking for salamanders and frogs	Campers can get an in-depth look at the diverse various camp ecosystems and animals
THEATER	Juniors may choose an activity period of theater games	Improv games, skits, and short plays get campers ready for the talent show
CERAMICS		Our newest program, campers can participate in a full Raku experience
CULINARY ARTS		Campers get cooking and prep experience in our commercial kitchen and over the campfire
BACKPACKING		Campers can sign up for a 1-, or 2-, or 3-night backpacking trip in Rocky Mountain National Park
KAYAKING		Our flat-water boats help teach technique and wet-exit best practices
MUSIC		Campers learn ukulele and guitar as they work their way through camp and popular music favorites
SAILING		Campers can learn the basics of sailing prams and sunfish
