STAFF REVEAL!

Rainbow Trout Village Director - Ian

If you follow us on Instagram, you've probably seen our weekly Staff Reveal posts, highlighting the amazing team joining us for Summer 2025. We're thrilled to announce that Ian is returning for his 4th summer at Camp Granite Lake, and his 2nd summer as Rainbow Trout Village Director!

"Hi everyone, I'm Ian! This is my fourth summer at camp and my second as the Rainbow Trout Village Director, and I couldn't be more excited to be back. I recently moved to Golden from the Chicago area and will be starting my first year as a middle school English teacher this fall."

We're counting down the days—just 16 more until 2025 Director Training kicks off! We've got an incredible seasonal leadership team this year, made up entirely of returning staff, and we're confident they're going to knock it out of the park!

CGL UPDATE!

16 inches of snow at CGL last week and 70°F with beautiful sunshine this week must mean that it is May in Colorado! The Director team have been making trips up to camp to turn the water on, clean rooms, set up program spaces and get ready for the summer! Our first seasonal staff arrive on May 29th (Leadership Team and Kitchen Staff), followed by our Counselors on June 1st, when our 8-day staff training begins.

We are excited for our campers to start arriving in just 26 days! Enrolled families, please check your emails for form deadline dates and submit everything required on time to allow us to review ahead of your camper arriving at CGL this summer.

DIRECTOR ELLIE'S TOP SUMMER TIPS

1. Embrace the outdoors - all of it!

The weather can change fast at almost 9000ft - sunny one minute, rainy the next. Read the packing list and come prepared (bring layers, a good rain jacket, and sturdy shoes). Some of the best memories happen when you're a little muddy or dancing in the rain with new friends!

2. Say "yes" to new things.

Whether it's trying archery for the first time, jumping in the lake, or performing in front of your cabin group, camp is about stepping outside your comfort zone. Growth starts with a "yes." You don't have to be great at everything—just be willing to try!

3. Be the camper you'd want in your cabin.

Respect your space, include others, and bring your best self. CGL is a community, and every camper helps shape the experience. Be curious, be kind, and help make your cabin a place where everyone feels welcome this summer!

PROGRAM SPOTLIGHT

'Glitch Out'

Saturday Theme Day

At Camp Granite Lake, Saturdays during our Traditional Sessions give campers a break from the usual schedule, and chance to slow down, recharge, and reset. We start the day with a relaxed morning: sleeping in, a yummy breakfast, and extra time to straighten up the cabins. Once all of that is done, we move into our special all-camp program and it's game on!

This summer, we're turning up the fun with a brand-new, video game-themed adventure - "Glitch Out!"

Video game characters have escaped from their digital worlds and landed right here at Camp Granite Lake! Now it's up to our campers to help get them back to their rightful realm.

Through team challenges, game-inspired missions, and camp-wide collaboration, we'll power up the characters and send them back where they belong - one level at a time.

Press Start... and let the adventure begin!
